Quarterly Status Announcement on Public Shareholding Spread

Contents :  
On behalf of the Board of Directors of Priva ("Board"), OSK Investment Bank Berhad wishes to announce that percentage of public shareholding of the Company as at 25 August 2009 is 20.86%.

Bursa Malaysia Securities Berhad ("Bursa Securities") vide its letter dated 8 April 2009 has granted the Company an extension of time of six (6) months until 11 November 2009 to comply with the public shareholding spread requirement pursuant to Paragraph 8.02(1) of the Ace Market Listing Requirements of Bursa Securities ("AMLR").

As at the date of this announcement, Priva had identified the following options to address the shortfall in the public shareholding spread:-

(a) the Board will implement the employee share option scheme of up to ten (10) percent of the enlarged issued and paid-up share capital of Priva and encourage the employees of the Priva Group to exercise their options and subscribe Priva shares;

(b) the Board will hold investor briefings with investment analysts and fund managers to enable them to initiate research coverage and have a better understanding on the Company's business operations and its prospects; and

(c) the Board will encourage the Directors and substantial shareholders of Priva as well as persons connected with them to place out a portion of their shares to minority or new shareholders of Priva which meet the definition of public shareholders in accordance to Chapter 1.01 of the AMLR.

The Board will use their best endeavour to meet the public shareholding spread requirement before 11 November 2009 being the expiry date of the extension of time.

This announcement is dated 25 August 2009.
